Beach Discovery Walk
Join Reserve staff for a guided Discovery Walk. Learn about shells, sand dunes, geology, tides, and beach inhabitants of a barrier island. Participants will sift the wet sand to find creatures that live underfoot and pull a seine net to see what lives in the surf. All children must be accompanied by an adult.
Cost $10/person; weather permitting; limited to 20; please call to register.
July 9th (Friday) 1:00 pm-3:00 pm

Beach Night Life
Learn about the amazing journey of the loggerhead sea turtles nesting along South Carolina’s coast, and discover the creatures most active at night and those which make life in the ocean unique. The program will begin with a presentation about the natural history of sea turtles, followed by a night time look at ‘life at the beach.’ All children must be accompanied by an adult.
Cost $10/ person; weather permitting; limited to 14; please call to register.
July 29th (Thursday) 7:30 pm-9:30 pm

Casting and Crabbing
Learn about the habits and biology of the blue crab while catching them from the local estuary. This class features equipment and techniques for catching crabs, rules and regulations for harvesting from local waters, and tips for cleaning and preparing these tasty crustaceans. Staff will also demonstrate cast netting techniques to see what else we can sample from the creek. Come prepared to get wet and muddy (old sneakers or boots are recommended).
Times for both trips are 2:00 pm-4:00 pm.
Cost $10/person; weather permitting; limited to 14; please call to register.
