

Build Your Own Rain Barrel Workshop

- 💧 Reduce water pollution
- 💧 Recharge ground water
- 💧 Lower your water costs

Come learn how to construct, install, maintain and use rain barrels for rain water harvesting. Participants in this hands-on workshop will be assisted in constructing a *free rain barrel to take home to install.*

Georgetown County residents and concerned citizens, property owners and managers are invited to attend this free workshop. Space is limited, so please register early.

**Saturday, March 3rd
10:00 am - Noon**

**Georgetown Public Library
405 Cleland St., Georgetown**

Cost: *FREE*

**Registration is
Required**

**Space is limited so please
register early.**

Note: This workshop includes hands on activity, with optional use of power tools. Liability waivers will be required for all participants.
